That means even if the movement gains momentum, an amendment to the state constitution will probably be necessary before legal betting can begin.

This would also require a public referendum on whether Wisconsin actually wants legal sports betting.

And that's just one example of how it's been slow on the draw.

1988 The lottery sells its first tickets.

Tribal/state compacts agree to terms with Wisconsin tribes to open casinos on tribal lands.

A bill has already been filed in an attempt to license and sanction DFS but it has

as yet to be signed into official law.

Even with big incentives, Wisconsin has its work cut out for it.

This has happened in other states including New Mexico so there is a precedent for this option.

Here's a few more of our favorite aspects of BetMGM's site: Simple, Smooth

Layout: BetMGM may not have the best technology in the industry backing its website, but the brand certainly knows how to organize a webpage.

The latter displays any highly-anticipated games or events taking place on a later date.

Here are a few more features that we liked in particular: Real Winners! Menu: Players

can view any recent sports bet wins or casino hits cashed by other players

on BetRivers using the menu on the right side of the homepage, labeled 'Real

Winners!'; Casino hits will display the name of the game that was won, while

sports bets aren't specified.

Early Cash-Out: It can always help, and most certainly will never hurt a bettor,

to have early cash-outs available on their online sportsbook of choice.
