Sky Casino is an operator I really like, providing a wide range of dedicated Baccarat tables, both with and without live dealers.

The origins of the card game are debatable, but most believe it was created in the 1400s by a man named Felix Falguiere or Felix Falguiere.

This original version of baccarat was not played the same way it is today.

Cards were dealt by four dealers, each player could be the banker, and players could place bets against fellow players and against the house.

Baccarat also caught on in England, where Ian Fleming learned how to play the game

before creating the world's most famous baccarat player: James Bond.

As more time passed, baccarat cropped up in South America and in the Caribbean, where under the name of Punto Banco, it adapted to the local culture.
