The rampant practice of fake or unverified reviews make it impossible for consumers to differentiate between actual and paid reviews of products and services. fake reviews, ratings on ecommerce websitesETtech He said these guidelines will be released shortly. "This is the right time to address such issues because e-commerce prevalence has been increasing and more and more people are shopping online," Singh said. The framework has been developed by the Department of Consumer Affairs (DoCA) over the past few months. Prominent actors such as Akshay Kumar, Shah Rukh Khan, Ajay Devgn and Amitabh Bachchan have extensively been associated with ads for products like chewing tobacco under surrogate platforms. In the Asia Cup for example, some of these actors including Kumar and Bachchan were seen actively endorsing tobacco brands, despite both actors previously claiming that they will not promote tobacco-related products. On guidelines issued by the government about three months back on paid celebrity endorsements, including making endorses and influencers legally accountable, or having to provide proof of due diligence or disclosing equity or profit sharing, he said there's a set of officers who are closely monitoring this. "We have seen a lot of cleaning up on the kind of ads that are being telecast or broadcast. If you cross the line, then enforcement will take place. I think it's working as we had expected to be. Of course, it is still a work in progress. We are not interested in punishing anyone, not necessarily. This is sort of a cautionary that please don't indulge into this," the 1989-batch IAS officer said. For an excellent reason, the baccarat game is one of the most popular casino games among high rollers. Red Dog grabs the crown today thanks to an exceptionally well-rounded platform that secures a smooth online baccarat experience. The site allows you to play baccarat for real money or take it slowly through the practice mode. 9/5 Slots. Crypto players have it better because, unlike fiat banking, crypto payments don't have any fees attached. It's no surprise that baccarat and blackjack fan bases are so massive. There are four bets you can place when playing baccarat:Banker betPlayer betTie betSide Bets I am not a I can think of selling is a couple of things I already own. The other thing I am looking for is a way to make money selling on ebay and amazon. The best way I have
