Florida is home to nearly 22 million people, but the third-largest state has had limited access thus far to online sports betting.

Barring an appeal to the United States Supreme Court, that means the Florida sports betting could return soon.

Here are some examples:

Spread: The most common form of betting on team sports, the spread is designed to create a level playing field.

Bets on Miami would win if they lose by seven points or less.

Futures: Futures bets are wagers on a team's or player's predicted performance in a game or season.
