2022 is now drawing to a close, and what a whirlwind it's been! This year saw the long-awaited return of the BCCS Convention, breaking from its usual date in early October to be held on Sat 14th May at the Holiday Inn M6 J7 in Birmingham.

It was a successful event: we hosted a walking tour of the Birmingham Jewellery Quarter; long-standing members met up for a chat and new joiners were introduced; hundreds of compacts were bought, sold, and swapped; there were raffle prizes galore; and an engaging talk by our guest speaker Ben Cooper of 'Bargain Hunt' fame.

Throughout the year, some of our Regional Groups were able to meet up again in person.

It's a dynamic community for sharing photos, exchanging information, discussing and asking questions about vintage compacts.

Examples of recent monthly themes were 'My Fair Lady', 'The Max Factor', and 'Continental Cousins'.

In addition, so far this year we've had two issues of our colourful and information-packed 'Face Facts' newsletter: Spring 2022 with a travel and adventure theme; and Summer 2022 with a Platinum Jubilee theme.

The Winter 2022 issue, with a 'Foreign' compact theme, will arrive before Christmas, getting us through the coldest, darkest days until Spring is with us once again!

This is typical of any state that legalizes sports betting, but North Carolina may take a little more than other states to get things set up.
