Low one-time offer

Low One-Time Offer: While you do receive a \$100 Amazon gift card when you're

approved for this card, that's a fairly low one-time offer, even for a cash

back card with no annual fee. For example, the SavorOne Rewards card from Capit

al One has a \$200 bonus after spending \$500 in the first 3 months of account ope

ning, with no annual fee.

You can redeem your rewards by using Shop with Points at Amazon.com. When choosi

ng your payment method at checkout, you select your Amazon Prime Rewards Visa Si

gnature credit card, and you'll automatically see how many points you have a

vailable-and how that translates into cash. You can then choose to use all of yo

ur available rewards, or a portion of them, to pay for your purchase.

Average Case
