Gamblers can also visit the "licensed internet gaming providers" link

on this page at the MGCB website to view a complete list of licensed providers.

When it comes to payment options, you can choose between fiat and crypto, with fiat

options including Visa, Mastercard, Flexepin, and Neosurf, and available cry

ptos include Bitcoin, Ethereum, Tether, and Litecoin.

The minimum deposits go from \$10 to \$35 depending on the method, while maximums

go from \$1,000 for fiat options to \$10,000 for crypto.

The platform supports responsible gambling and fair gaming, it accepts players

from Alabama, and it made its customer support available 24/7 via email and live chat.

They also offer specialty games, and progressives, so there is something for ju

st about everyone here.

As the name suggests, the platform is Atlantis-themed, with its own backstory t

hat contributes to its theme and charm.

And, if you ever run into any trouble, customer support is available via email,

live chat, and phone call.

Other than that, it has a lot of benefits that make it attractive to players, s

uch as fast payouts, generous bonuses, the great quality of games, multiple paym

ent options, compatibility with various devices, and more.

Despite the lack of gambling laws that would make casinos and sportsbooks legal

in the state of Alabama, there is a way for gambling fans to reach and play thei

r favorite games.

So where do we stand now? What states are doing it, and how are they doing? What

states are about to join, and what states are on the back burner? We've com
