It is played with one or more decks of cards.  
Cards are counted as their respective numbers, face cards as ten, and ace as either eleven or one (in our game it will show on the counter as an 11 unless you ) Tj T\* BT /

This can be accomplished by getting Blackjack (first two cards equal 21) without dealer Blackjack, having your final card count be higher than the dealers without exceeding 21, or by not exceeding 21 and dealer busting by exceeding their card count of 21.

In Blackjack, or 21, the player must decide what to bet before the hand.

Click the chips to add them to your bet.

This will tell you what move will be most statistically likely to win the hand you are holding in blackjack.

Keep playing 247 Blackjack until your money is all gone - then restart! No need to wait additional time for more chips! If you are on a streak and need to leave your computer, no worries! Your fabulous money pile will be kept until you return! Just be sure to Resume your game when asked! As you win money watch your chips grow in denominations! Your highest money count will always be kept as your high record too, just so you always have something to strive for!

Here you can select the number of decks you'd like to use, whether to auto bet your previous bet, whether a dealer hits on a soft 17 (soft seventeen is when) Tj T\* BT /

rance option during the game, and whether you'd like auto advice (which turn) Tj T\* BT /
